Please check out the **BIG BOOK sale** on my store eloiseemmett.com I really need to move a few boxes of The Real Food for Kids Cookbook to make room for The Tasmanian Pantry so it is now heavily discounted, this is a much-loved book by kids of all ages! Do you know someone who doesn't have a copy yet? Please let them know about the sale. Please keep the book in mind for the next gift you need to buy. Seafood everyday or one of the gift packs would make a brilliant Father's Day gift too, and it would be great to move them along too. I am close to needing to make the call to re-print and I would love to see them reprinted with the "best in the world" labels printed on them.

And thank you so much for taking the time to share your cooking from my recipes and social media posts. Your recommendations to your friends really help me out. Less time I need to use thinking about marketing my business and more time creating & photographing delicious recipes to make your meal planning easier, tastier and more enjoyable!
